Enchanted Lens NMSF Volunteers

Come one, come all, you excited, enthusiastic ELCC volunteers...!

With all the recent reorganization at NMSF, photographic success of the New Mexico State Fair will heavily depend upon ELCC members graciously volunteering their knowledge, time, and energy to *Make Great Photography Happen!*

If you're new to Enchanted Lens, here's your chance to step out and see how photography works at state level. Come, help us put things together, then benefit from watching judges make their critical fine art decisions, then, hopefully, see your award-winning image at the New Mexico State Fair!

As of July 01, we have 5 volunteers. Of ~100 slots to fill before 12 August, we have 16 filled...
